Q20 Finally, would you be interested in taking part in a focus group with Hannah Family (one of the PhD students in the department) and some other pharmacy and pharmacology students to discuss the app. The focus group will take part over one lunchtime and a free lunch will be provided during the focus group. This focus group will help us get some more detailed feedback on what you think about the timetable app and how you use it. Your responses will be kept confidential. If you are interested in participating in a focus group please respond yes and provide us with your username or e-mail address below. Once some students have signed up for a focus group Hannah will contact you to plan a time and date that is convenient for you and the other participants to meet to do the focus group.
