

# How To articles

## Where to put instructions

- If the instructions are for the use of maintainers in the CMS, please add them as a child page in [CMS Tutorials](#), using the tutorials template and ensuring you add a link to them from the [Tutorials homepage](#)
- If the instructions are for Digital team members only, please add them as a child page of [How To articles](#) and they will automatically be added to the list below

[Add how-to article](#)
